

2 RU Universal Mounting Drawer, 28 Inches Deep **SKU: D2-UMS-28**

The Universal Mounting Drawer was designed with an innovative pattern to mount small devices traditionally located outside the rack to the bottom of the drawer. Providing abundant cable management and device tie down points, the unique design accommodates nearly any mounting hole pattern and fastening method. Ideal for securely storing access control, converters, extenders, door contacts, power supplies and other small components.

- **Forward Compatible!** for use with Forward Small Device Mounting Clamps, Forward Tie Saddles, and Forward Stop Brackets
- 2RU
- 22" (559mm) useable depth
- 45 lbs. (20.4kg) weight capacity
- Bottom of drawer can be removed before installation to mount small devices and can be clicked into place in the drawer once components are mounted and wired for install flexibility
- Articulating cable arm keeps wires from getting pinched when opening or closing drawer.
- Features an innovative patented Universal Mounting Pattern in the bottom
- Provides abundant cable management and device tie down points
- Drawer locks for added security
- 4-point mounting for added strength

Specifications

Dimensions & Measurements
