

SRSR Series Slide Out Rotating Rail System Rack - SRSR-4-14 **SKU: SRSR-4-14**

Specify an SRSR for easy rear access to equipment connections in millwork, cabinets and flush in-wall installations. Available with a 19" or 23" useable depth, the SRSR system extends and rotates 90° in either direction, making it ideal for smaller systems.

- Removable rack frame allows in-shop integration and on-site installation of equipment
- Locks in the extended position for simplified equipment integration
- Rotating equipment bay locks in place at 0°, 60° and 90° for easy installation and servicing
- Self-centering mounting base makes it simple to align system within cabinet opening
- Rear cable support works in conjunction with rear rackrail for effective cable management
- Standard front and rear 10-32 threaded rackrail with marked spaces
