

1 RU Adjustable Rackshelf 16 Inches to 26 Inches Deep **SKU: VSA-1626**

The most versatile, heavy duty shelf available! Unlike standard adjustable shelves, the entire VSA shelf telescopes to reach rear rail, providing a range of useable depths from 16" to 26". Providing the greatest useable depth in its class and featuring a 400 lb. weight capacity, the heavy-duty VSA is ideal for even the deepest components. Constructed of hemmed 16-gauge steel and finished in a durable black powder coat, the VSA is fully vented for superior cooling and features many tie points for enhanced cable management.

- Fully vented shelf for superior cooling, with high 400 lb. capacity
- Adjustable 4-point mounting range from 16" to 26"
- Black powder coat finish

Specifications
