

6 RU Low Profile Wall Rack Solid Top - Black **SKU: VWM-SD-6-36K-BW**

With a low-profile, patented design, this pre-configured VWM Series Wall Cabinet is ideal for vertically mounting deeper equipment in a “knobs-up” orientation within 6 spaces and 30” usable depth. It includes everything needed for a simple solution, but also can support additional customization in Lever Lock™ small device mounting within the cabinet and/or on the door, thermal management, cable management and power distribution for a complete system that ensures uptime and reliability on the wall.

- **Now Forward Compatible with native mounting for Forward Cable Management in the backpan!**
- 6 spaces and 30” of usable depth for vertical “knobs up” equipment mounting
- Rackrail features both 10-32 thread and cage nut
- Flexible position spaces to mount the rackrail where it’s needed
- Split door with hinged solid top that enables end-user access to controls but restricted visibility
 - Both door and hinged top are lockable and keyed separately for security
- Laser knockouts on the top, bottom and sides for cable entry and thermal management
- Integral electrical box simplifies power distribution
- Finished in a black textured powder coat

Specifications

Dimensions &

Measurements

Depth	18 in (45.7 cm)
Height	36 in (91.4 cm)
Product Weight	69.5 lbs (31.5 kg)
Rack Units	6 RU
Shipping Weight	80 lbs (36.3 kg)
UL Load Capacity	150 lbs (68 kg)
Usable Depth	27.8 in (70.6 cm)
Width	25 in (63.5 cm)

Characteristics &

Features

Available Internationally	Yes
Color	Black
