

Forward Hook & Loop Tie Saddles - 15 Pieces **SKU: FWD-TSW-15**

Limitless cable routing.

The new Forward cable management products give you the flexibility you need to get your cables from Point A to Point B. Install on Forward Rack Rail, Lever Lock™; and anywhere the patented universal hole pattern is found.

- 15 Pack
- Pop and twist to install your tie saddles into anywhere the patented universal hole pattern is located without any hardware, giving you ultimate cable routing flexibility
- No more fishing cable zip ties or hook & loop with the Forward tie saddle
- Simply feed your preferred cable management accessory through the slots and lay in your cables
- The bold blue finish not only looks cool, but it also helps you identify where your tie saddles are located in the enclosure for any future adds, moves or changes
- Made from durable nylon, these tie saddles will hold up to your cable intensive systems
