

42 to 45 RU Forward Universal Vertical Power Bracket **SKU: FWD-UVPB-42-45**

Any power strip, you can mount it.

The Forward Universal Vertical Power Mounting bracket accepts any button mount style power strips (Raritan, ServerTech, etc.) as well as our PDT Series, PD Series and MPR Series. Simply drop the bracket into the Lever Lock™ slots on the BGR, DWR and SR rack rail brackets and since the slots are continuous front to back you have ultimate flexibility of where to mount your power strip(s).

It also includes all hardware needed to mount in any Middle Atlantic rackrail bracket style (except SNE). For the SNE check out the SNE-UVPB-4245-S.

Compliment with our Forward Vertical or Horizontal Cable Management products to neatly and efficiently manage all your power cords.

- Drop-in installation into Lever Lock™ compatible rackrail brackets (BGR, DWR and SR)
- Mounting flexibility front to back along multiple rackrail bracket styles
 - Hardware is included for racks like the MRK, WRK, ERK, VRK, etc.
- Accepts any button mount style power strips (Legrand, Raritan, ServerTech, etc.) as well as the PDT Series, PD Series and MPR Series
- Durable flanged steel construction
