

# ClickShare Hub room system for video conferencing

Start your meeting with a simple tap on the ClickShare Control Panel and wirelessly share ultra-high-definition content with the enhanced, next-gen ClickShare Button.

Enjoy effortless, engaging meetings with ClickShare Hub - the modular wireless video conferencing system.

Designed as a Microsoft Teams Room component, ClickShare Hub integrates seamlessly with certified meeting devices, delivering easy setup for IT managers and smooth collaboration for participants.

Discover our certified and compatible devices

## Effortless meetings and enhanced sharing for everyone

- Intuitive design, no training needed
- One-click, 4K content sharing with next-gen Button
- Cable-free sharing from anywhere in the room
- Guest-friendly: USB-C DisplayPort™, no additional software required
- Dual screen and ultrawide screen support for inclusive meetings - available with the ClickShare Hub Pro

## A sound, future-proof investment for IT managers

- Native Microsoft Teams Rooms allows easy integration with existing systems
- Built on the Microsoft device Ecosystem Platform (MDEP), provides protection for meetings and data with ClickShare's high-security standards
- Flexible solution that adapts to all room types and allows easy switching between BYOD and room-system conferencing
- Barco Eco Label A+ certified, supporting your sustainability goals
