

ClickShare Hub Room System Bundles

Certified for Microsoft Teams

The new Barco ClickShare and Sennheiser wireless room system bundles are now Microsoft Teams Certified, combining ClickShare Hub with TeamConnect Bar solutions for small and medium spaces. Designed for fast, intuitive hybrid meetings, these bundles deliver trusted audio and video performance with effortless wireless conferencing, so teams and guests can focus on the conversation, not the setup.

ClickShare Hub Core + Sennheiser TeamConnect Bar S

The ClickShare Hub Core and Sennheiser TeamConnect Bar S bundle is a certified Microsoft Teams Rooms solution for small meeting rooms. It offers effortless wireless conferencing, 4K content sharing, crisp audio, and high-quality video. Participants enjoy a great meeting experience, while IT managers benefit from security, compliance, and standardized integration.

- Wireless presentation: 4K content sharing with 1 next-gen ClickShareButtons with USB-C DisplayPort™
- Built on the Microsoft Device Ecosystem platform (MDEP)
- 4K Ultra HD camera with advanced AI features
- High-quality audio with 4 microphones and 2 speakers

ClickShare Hub Pro + Sennheiser TeamConnect Bar M

The ClickShare Hub Pro and Sennheiser TeamConnect Bar M bundle is a certified Microsoft Teams Rooms solution for medium meeting rooms. It offers effortless wireless conferencing, 4K sharing, dual screen support, and advanced audio and video. Participants enjoy enhanced collaboration, while IT benefits from security, compliance, and standardized integration.

- Wireless presentation: 4K content sharing with 2 next-gen ClickShareButtons with USB-C DisplayPort™
- Built on the Microsoft Device Ecosystem platform (MDEP)
- 4K Ultra HD camera with advanced AI features
- Premium-quality audio with 6 microphones and 4 speakers
