Huddly C1 Snap-On Front Plate  
H595

# Heckler

Add color, personality, and finish control to your Huddly C1 with official Snap-On Front Plates developed in collaboration with Huddly. Designed for modern workplace and learning environments, these plates install in seconds and allow you to style Huddly C1 to align with interior design schemes, brand palettes, or standardized room recipes—without tools, downtime, or permanent modification. Available in a curated selection of vibrant colors inspired by contemporary office design—Fresh Yellow, Vivid Blue, Deep Green, and Bright Red—these plates make it easy to visually differentiate spaces while maintaining a consistent, professional AV standard.

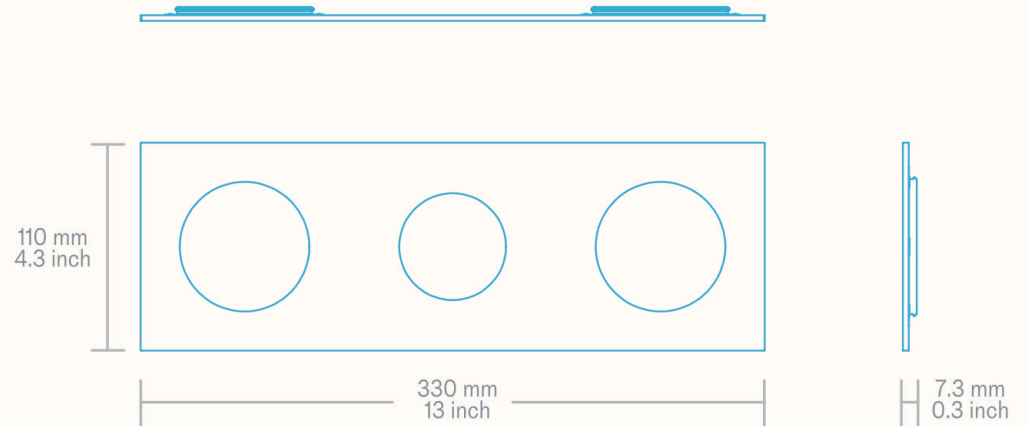

Custom colors are also available. Heckler can produce Snap-On Front Plates in custom Pantone® Solid colors to support brand standards or large-scale deployments. For availability and lead times, please contact [sales@hecklerdesign.com](mailto:sales@hecklerdesign.com).
