

10ft (3m) USB-C® to USB-C USB4® Cable **SKU: C2G28892**

This USB4® USB-C Cable brings lightning-speed data transfers, up to 8K video support, and power delivery up to 240W – perfect for connecting USB4 enabled devices for fast charging and quick data transfers.

Deliver up to 20 Gbps to or from a USB4 enabled port. This cable is an ideal solution to transfer large amounts of information, whether uploading or downloading data. It is so fast you can transfer a 5GB file in about a second over the cable. This cable is backward compatible with previous USB 3.2 and Thunderbolt 3 specifications and devices. Ensure that a USB4 equipped laptop is fully charged and ready to go while supporting up to 8K video content and delivering up to 240W of charging power to the connected device, like your phone, laptop, or tablet, and other compatible USB-C devices to charge them quickly. The symmetrical design of the USB-C connector is identical on both sides, so it does not matter if you plug it in upside-down or right-side-up. It will plug in the first time, every time, while preventing damage to the connector port. There is no need to worry about software or drivers to install. The plug-and-play feature makes it simple to connect and start using it right away. The TPE cable jacket and housing construction is recyclable and consumes less energy during production, making it an eco-friendlier alternative to PVC.

Specifications

Dimensions &

Measurements

Cable Diameter	0.22 in (5.5 mm)
Cable Length	10 ft (3.1 m)
Operating Humidity Max	85% RH (Non-Condensing)
Operating Humidity Min	15% RH (Non-Condensing)
Operating Temperature	14° - 113°F (-10° - 45°C)
Power Delivery	240 W
Shipping Weight	0.12 lbs (0.1 kg)
Storage Humidity Max	85% RH (Non-Condensing)
Storage Humidity Min	15% RH (Non-Condensing)
Storage Temperature Max	158 Fahrenheit (70 Celsius)
Storage Temperature Min	14 Fahrenheit (-10 Celsius)

Characteristics & Features

Application	<ul style="list-style-type: none">• Commercial• Residential
Color	Black
Connector 1	(1) USB-C Male
Connector 2	(1) USB-C Male
Jacket Rating	Standard Non-Rated
Product Type	Cable
Signal Type	Bidirectional
TAA Compliant	No
UPC	757120288923
Video Input Support	USB-C
Video Output Support	USB-C

Certifications & Warranties

Certifications	<ul style="list-style-type: none">• NDAA 889• Prop 65• REACH• TSCA
Data Transfer Rate	20 GBPS
Jacket Material	TPE
Warranty	Lifetime
